Reason for surrendering animal:

If wild, where did you find this animal so we may return her/him after rehabilitation:

Animals placed in our care are given the highest quality medical, nutritional and emotional support possible. All animals relinquished to our care will be taken to a veterinarian for a check-up, brought up-to-date on shots, will be spayed or neutered and have dental issues taken care of prior to adoption, as appropriate. Our medical, food and supplies bills run high while our time runs short. We greatly appreciate your donation of: _____ to help defray our costs.
